To Chuck—
a fine fellow and good student
and one whom I'd enjoy having
in class. You've made good progress—
sonality development and that is fine,
I think.

Frances Warren

Mr. Roscoe L. Frasher

In the days of '49 men risked their lives for gold. Today, a hundred years later, we take the same risk but for greater reason. Today it is a question of survival with men playing high stakes for the favors of science. While we take our hats off to pioneers of yesterday let us not forget that we need pioneers of today, pioneers who are willing to take great risks for peace. It is with this thought that we dedicate this annual to those who made this great land possible for us.

Mrs. Mamie Sallee

Girls' Vice-Principal

Mrs. Sallee, like everyone else in this school of ours, has had a job to do and she has done it well. One of her main duties is to improve student relations and personal attitudes. In doing this she has many problems to solve, these she attacks with a lust and vigor for getting things done. Mrs. Sallee is one of the most capable and efficient administrators.

Mr. John C. Holt

Boys' Vice-Principal

One of the toughest jobs in any high school is that of boys' vice-principal; our vice-principal, Mr. Holt, has performed this task well. Through it all he has remained well liked by everyone and is really worth his weight in gold.

Mr. Charles Hamer

Serving as a temporary administrator in Mr. Holt's absence, Mr. Hamer succeeded in filling the position of boys' vice-principal with remarkable tact and diplomacy. His willing enthusiasm, determination, and friendly manner are what made his stay at our school a complete success.

Our Most Honored Graduate

Roscoe L. Frasher

One of the most reluctant persons to graduate this term is our principal, Mr. Frasher. He has endeavored to make North Hollywood High the best school in the city. Through the semesters he has taken a keen interest in all school activities and has improved to a high degree our mental and social growth.

Like a true '49er he has the qualities that make him a leader of men. His years of experience have developed in him the talent which a good principal must have: the ability of distinguishing between the good and the bad.

On his retirement Mr. Frasher intends to visit each state in the Union, taking pictures as he goes. We know he will be in two places at once: enjoying himself on his vacation and in spirit with us in school.

Student Body President,
Winter '49

Tommy Claunch

During his term of office, Tommy Claunch upheld capably his position as Student Body President. Some of the things accomplished during his administration were the instigation of clean campus activities and the Huskie Handbook. Tommy was an outstanding athlete as well as a scholar.

William Knoblock

Bill Knoblock has ably directed and guided student activities through his term of office. Since the B-10 Bill has taken an active part in all school activities and has endeavored to maintain a high scholarship record. Through the hard work and effort put forth by him as student body president, he has won the respect and admiration of the entire student body.

Student Council W'49

The student council along with the rest of the students and the faculty wish to extend sincerest thanks to Mrs. Sadie Snyder, who is retiring this year. Mrs. Snyder has done a truly commendable job in guiding the student councils through her stay here.

Through the years, the sweet white-haired lady has won the respect and admiration of everyone in Bingville. Her wry, subtle sense of humor has lifted the hearts of many.

In addition to being the faculty advisor for the student council, Mrs. Snyder has excelled in teaching in the English department, her specialty being Advanced-Composition.

Mrs. Leila Rosen

Sponsor, Scholarship Society

Exceeding in talent, ambition and ingenuity would best describe the members of the Scholarship Society here in North Hollywood High.

During the past semester the society has presented interesting programs and talent shows to prove that they are not just all "brains." The society is ably and efficiently sponsored by Mrs. L. Rosen and Mrs. F. Warren, who is acting co-sponsor. Both teachers have given much time and effort in preparation for their monthly meetings.

We can all be very proud of them for they will be the successful prospectors of our tomorrow.

Treble Clef W'49

Singing for assembly, and acting as a talented group of singers, the Treble Clef is considered a vital part of North Hollywood High School.

Girls' Glee W'49

The Girls' Glee of W'49 consisted of some of the most talented singers in the valley. This is another group that is an important part of this school.

Girls' Glee S'49

The Girls' Glee was the organization that gave the "Mikado" its outstanding vocalists. They were the Japanese maidens in the finest operetta that this school has ever had.

Treble Clef S'49

The S'49 class of Treble Clef was blessed with extremely talented and hard working singers. Their existence has made it possible for girls to receive good training in the vocalist line.

C.P.S.C. Winner

F.F.A.

At North Hollywood High we have one of the most honored F. F. A. Chapters in the city and county. This goes for the unit as well as individual members. One of the brighter stars in our chapter is Jack Williams, who besides winning many other prizes won the City Public Speaking Contest for agriculture. George Murakami has been president for the past two semesters. The good natured and capable advisor to this group has been Mr. Paul Grace.

R.O.T.C.

The Reserve Officers Training Corps of our high school ranks high among the best in the city. Now more than ever all schools need such an organization to train and prepare students to be better citizens in tomorrow's democracy.

LETTERMEN'S CLUB

Led by Coach Smith the men of this club have ably handled the jobs assigned to them. Officiating at track meets and taking care of the cafeteria at noon and nutrition have been accomplished by them to a high degree of success. The president for the fall term was Dick Wells, followed in the spring by Paul LaCava.

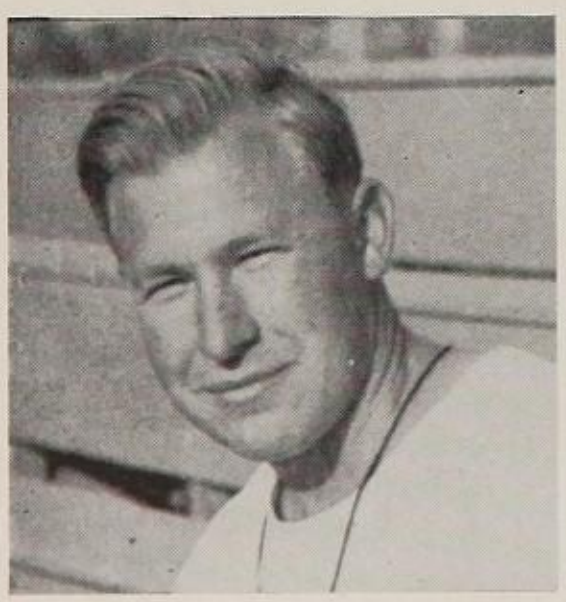
Night Action

North Hollywood played their first night game in the school's history last semester, but came out on the short end of the score as they were beaten 27 to 19 in a thriller with Van Nuys.

Harvey Nelson

Coach Harvey Nelson, the man who guided the squad through its ups and downs throughout the season, from our first game of the season with Hollywood to our last game with Fremont in the play-offs for the city championships.



John Osterman

Mr. John Osterman, the person who moulded the best line in the Valley, perhaps the city, came over from Occidental College to assist Mr. Nelson in the coaching of Varsity football.

Spraker Speaks

Above—Mr. Spraker showing Captain Elect Dave Wells what it's all about.

Below—The "Bee" squad, coached by Mr. Spraker, had a fairly successful season, considering the inexperience prevalent throughout the team.

PRAYER OF A SPORTSMAN

Dear Lord, in the battle that goes on through life,
I ask but a field that is fair,
A chance that is equal with all in the strife,
A courage to strive and to dare;
And if I should win, let it be by the code,
With my faith and my honor held high;
And if I should lose, let me stand by the road,
And cheer as the winners go by.

"Cee" Basketball

Dale Johnson takes a long shot.

Huskie Cees concluded a very impressive season by downing all opponents in a ten game schedule to capture the league's trophy two years in a row. The two pacemakers on the Cee team were Richard Morse and Howard Earnest. Richard caged 69 digits and Howard 72 in league play.

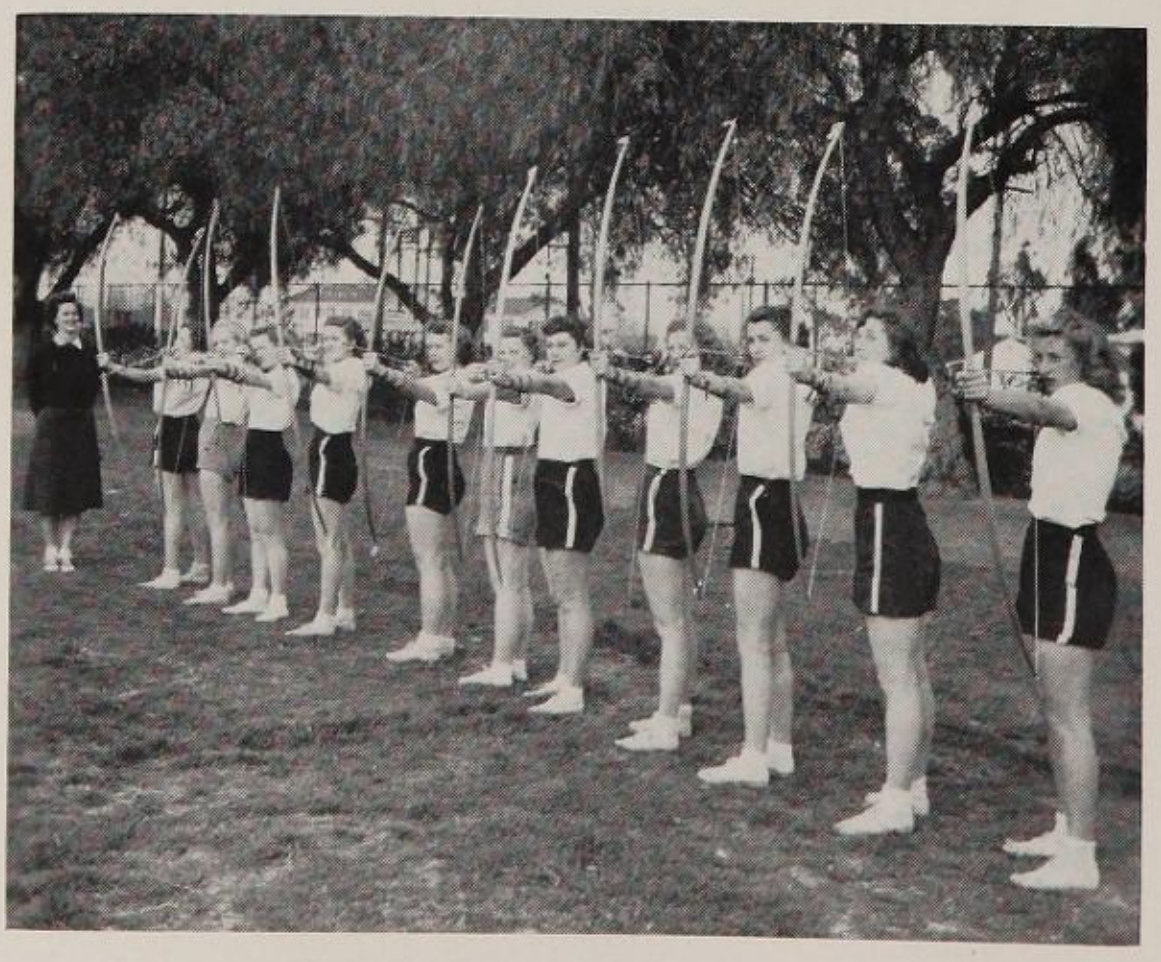
Girls' Athletic Association

A memory dear to the hearts of the G.A.A. members is the spring spread held in the Seamans Squad on April 4. At this event a basketball game was played with the A11's vs. the Faculty. Mrs. Sallee acted as a referee and Mr. Frasher was the water boy. The game ended in a tie.



G.A.A. Archery

G.A.A. Cabinet

The Girls' Athletic Association strives to further interest in athletics for girls. It wants to foster a spirit of sportsmanship and to promote physical efficiency among them.

The sports for this year included speedball, archery, hockey, tennis, basketball, baseball, and badminton.

The B11's won the championship cup for speedball. The cup for hockey was won by the A11's. The basketball cup went to the Senior Ayes with Frances Flaherty their captain.

Champion Basketball

Doubles Tennis

Frances Flaherty and Marilyn Clark, two of the most talented girls in North Hollywood High in tennis, await their next rivals in a game of doubles tennis.

Speedball

Left: One of the most popular sports offered to the G.A.A. is speedball. Almost sixty girls participated in this excellent game during the semester.

Hockey

Left: G.A.A. Hockey, a sport that takes skill, quick thinking, speedy coordination, and physical fitness. And in those qualities, each of the girls in this field is equally able.
